

Website Sale Proposal: Wibizs.com

Overview

I am offering for sale wibizs.com, a fully functional and professionally developed website built as a business and services hub. Designed with modern aesthetics and a user-friendly interface, Wibizs.com presents a strong opportunity for entrepreneurs, investors, or agencies looking to acquire a ready-made digital platform with growth potential.

Key Features

- Niche: Business Networking & Services Marketplace
- Tech Stack:
 - Frontend: Next.js with Tailwind CSS
 - Backend: Django REST Framework
 - Mobile Support: React Native integration-ready
- Core Functionalities:
 - User registration and profile management
 - Service listings and job postings
 - Buy/sell capabilities
 - Notification system (email and in-app)
 - Secure payment integration (Paystack)
 - Admin dashboard for content and user management
- Responsive Design: Mobile-friendly and optimized for speed and SEO
- Monetization Ready: Supports listing fees, subscriptions, featured ads, and third-party ads (Google AdSense support)

Assets Included in Sale

- Domain: wibizs.com
- Full website source code (frontend and backend)
- Branding assets (logo, icons, color scheme)
- Documentation for deployment and maintenance
- Assistance for handover and technical setup (optional)

Website Sale Proposal: Wibizs.com

Reasons for Selling

Wibizs.com has been a passion project built with attention to detail and scalability in mind. Due to time constraints and other ongoing commitments, I'm seeking a buyer who can give it the attention and marketing it deserves to grow into a thriving platform.

Ideal Buyer

- Entrepreneurs interested in launching a services marketplace
- Agencies seeking a lead-gen or listing platform
- Investors looking for a tech-based digital asset
- Startups wanting a business-ready foundation without starting from scratch

Asking Price

Open to offers based on the value and potential of the platform. Price can be negotiated depending on level of support and assets requested.
